Toronto indie rap group has been the subject of such a wide-reaching profile as they have been since the inception of the city's now-vaunted rap scene. For their album Greatest Hits, Atmosphere takes it

all back, contextualizing and updating their classic 2002 classic 'Munich' by examining the city in which the story unfolded and the country in which it took place. Atmosphere is of course a group of friends, but are they now friends or enemies? The group, which was once a core part of the movement, released their latest album 14 years ago, and it only serves to emphasize how long this particular debate has been raging. The promotional campaign for Greatest Hits included a variety of internet dialogue, including a new video for "Munich" that was published in the run-up to the album's release. The "Munich" video really drives home the point that it was "Anti-Terrorists Anonymous," a track that had been pivotal in the political conversation at the time. Still, the heavy question is: when is it "terrorism," and
