K. GuptaQ: What format does "online" mean with respect to ebooks? There are two definitions of 'online': noun 1.1... online information / resources are openly available and frequently updated 2. book, ebook, music, movie, online magazine, podcast and so on The difference is that "online information/resources" are freely available to everybody anywhere. But what about books? I know the two very distinct concepts of "online" and "offline" but I thought that ebooks are the same as online newspapers and magazines. Or am I wrong? A: Online books in particular are books which people read on computers (and other electronic devices, like tablets) and in some cases also on phones, rather than on paper. The two types of books you've described, online information and offline information, are not the same as online and offline books are. And no, ebooks are not the same as online books, they are not the same thing, but they're linked to the internet. Technical Field The embodiments herein generally relate to a method and system for controlling liquid flow and measuring the measured or computed flow rate of a liquid in a pipe, in particular, a pipe with one or more bends, such as a
